

2022

Project Christmas House

Project Christmas House is a project of the Purchase District UMC that builds a house every year for families that have lost their homes due to natural disasters and who fall through the cracks of conventional help. We need **Every Church** to help. The ways **We Need Your Help** are:

- * **Prayers** - please pray for this project, funding, workers, etc.
- * **Payers** - we need \$42,000 to assist with building the home (Purchase District goal is \$20,000)
- * **Players** - those who go and serve on the job site (carpenters, laborers, electricians, cooks, first aid, historians, cleaners, etc.)

We need all who are willing to give of their time from 1 day to 2 weeks. Bring your family and show your children what CHRISTmas is truly about.

- * **WHO:** All who can
- * **WHAT:** Build a **Home**
- * **WHEN:** 2 weeks beginning Dec. 26
- * **WHERE:** Dresden, Tennessee
- * **WHY:** Servanthood
- * **COST:** \$100 for meals/housing (fee will be waived if needed)

Please make checks **payable to Purchase District UMC**, write "Christmas House" in the memo line, and mail it to 2285 Jack Treas Rd., Kirksey, KY 42054. **We need the funds no later than December 16, 2022** in order to apply them to this year's house.

For more information, contact: Bill Carr | 270.556.5221

Note: The home was originally scheduled to be built in Mayfield, Ky. but has been moved to Dresden, Tenn. due to site clearance issue.

The mission of the Purchase District is to discover, equip, connect and send lay and clergy leaders to join Christ's transforming, disciple-making work in and for the world.
